ASSISTANT SECRETARY TO GOVERNMENT
12 MAR 1951

Sir,

Establishment - Highways Department - Malabar District - Special staff for Rural Welfare work - Retention beyond 31.3.1951 - Sanction - Requested.

1. G.O.No.121 (R.W.) dated 19.9.50.
2. G.O.Rt.No.14 (R.W.) dated 5.1.51.

....

The term of the special staff extended in G.O.No.1 cited and that sanctioned in the G.O. cited second, will expire on 31.3.51. The particulars of the works remaining ~~the~~ to be done in the selected areas of this district are given below.

2. The work on 7 roads in Tellicherry firka remains to be completed. 5 or 6 roads in each of the new firkas of Kuthuparamba and Mattanur will be taken up in 1951-52. The amount remaining to be spent in the allotment under "Village Communications" for the three firkas is about Rs.70,000/-. The Supervisor (H), Tellicherry with 2 Maistries and one peon are attending to the works in these firkas. The post of one of the two maistries was sanctioned in G.O.Rt.No.14 (R.W.) dated 5.1.51. The Divisional Engineer (H), Kozhikode recommends retention of the staff till 31.3.1952 since the roads are scattered over the entire taluk and the balance amount heavy.

3. In the Payyannur-cum-Nileswar centre, the work on 4 roads in the Payyannur area and 3 roads and 5 R.C. ring wells in the Nileswar area is to be completed. The amount remaining to be spent on these works is about Rs.29,000/-. Although the employment of one Highways Supervisor was sanctioned in G.O.No.121 (R.W.) dated 19.9.50 for works in the Nileswar area, only an overseer(H) was appointed. As the overseer had not got sufficient work in the Nileswar area, he was put in charge of all the works in the centre with headquarters at Payyannur. Please see Govt. Memo No. 59966 R.W.III/50-2 dated 29.1.51. The overseer and his peon with the maistry sanctioned in G.O.No.121 (R.W.) dated 19.9.50 are now attending to the works in the entire centre.

4. In the circumstances stated above, I recommend the retention of the entire existing staff till 31.3.1952. The Divisional Engineers (H), Kozhikode and Mangalore have been consulted in the matter. I shall be retaining the staff beyond 31.3.51 in anticipation of Government's sanction.

For Collector.

On a representation made by the D.B.R.W.(S) that the Supr(H) for R.W.works in Nileshwar had not sufficient work in his area and that he might be put in charge of the works in Payyanur ~~firka~~ centre also with headquarters at Payyanur.
